

Montana Law Enforcement Academy
Long Range Building Program
Pages 118-119

The Montana Law Enforcement Academy is housed upon the campus of the old Mountain View School. This campus covers approximately 20 acres and consists of 9 occupied structures. These structures include offices, classrooms, conference rooms, dormitory rooms, cafeteria, and a maintenance shop.

The Montana Law Enforcement Academy is responsible for the education and training of law enforcement and other public safety officers. For fiscal year 2007 it is estimated that over 600 law enforcement and public safety officers will attend courses at and take residence upon the campus of the Montana Law Enforcement Academy. Law Enforcement Officers, Correction / Detention Officers, and Public Safety Communicators will account for the largest number of professionals who will attend these courses. These courses range in length of 1 week to 12 weeks and will equal a total of 80 weeks of offered courses in a 52-week year.

The majority of the occupied buildings upon the campus were constructed in the 1920's with the most modern building being constructed in 1967. The campus grounds consist of approximately 20 acres with a total occupied building floor area of 69,214 square feet.
